## CAROLE MATTOX REEVES

I have lived in Charlotte all of my life. While attending West Mecklenburg High School, my best friend, Janice Lawing, and I started going to the beach for weekends. We loved going to Sonny's Pavilion, The Pad, and the Beach Club.

Graduation weekend at the Pad with my girlfriend, Janice, I met a guy named Domer Reeves, who was the cutest and best dancer down there. We fell in love and two years later were married in 1962.

I have had 41 wonderful years with Domer and we have a wonderful family who all live in the Charlotte area. We have two great sons, Kevin and Shannon, and four grandchildren.

Through the 41 years we have been married, we have met many fine people and made lasting memories and friendships. I am honored to be chosen as a member of the Shaggers Hall of Fame
