"LET THE MUSIC PLAY . . ."

There comes a time in life when we must all stop . . . and merely say **THANK YOU** for the many blessings and friendships that we have experienced in life. That time has now come for the thousands of Shaggers, music enthusiasts, relatives, and friends of **Mr. Richard Nixon**. On Saturday, March 11, 1989, a beloved friend, D. J. extraordinaire, and eternal **LEGEND** at "Ocean Drive." spun his last "Golden Record" and took his final walk "Up the King's Highway," after a long, but valiant, bout with cancer.

For those that knew **Richard** well, he deeply touched their hearts with his child-like grin, prank-filled spirit, and warm southern mannerisms. To others, through his devout love for "Good Times" and "Shag Music," **Richard** shared a "special" kind of friendship and sincerity that could only be portrayed by him. Unfortunately, future generations of Shaggers and D.J.'s will only know **Richard Nixon** through "our" past memories.

Though we all viewed **Richard** through the proverbial eyes of "Shaggers" and remember him best as a D.J., friend, and true lover of shag music . . . it goes without question that **Richard's** first, and truest love, was for his wife Libby. We should all be so blessed with a marriage, and companion in life, that **ALWAYS** put "each other" first, as was true of Richard and Libby's 28 years together.

Richard Nixon was the first D.J. to be **honored** and **inducted** into "**THE BEACH MUSIC DJ HALL OF FAME**", and most certainly deserved all honors, friendships, and merits that were bestowed upon him throughout his life . . . and the posthumous memoriums that are forthcoming.

Richard Nixon was truly a gentleman's gentleman; a friend's friend; and an inspiration and mentor to present and future generations of mankind.

An so Richard . . . GO IN HONOR . . . GO IN PEACE . . . GO IN LOVE . . . for the harmony of your music, and the memories of your friendship, shall always follow . . . Thus, "LET THE MUSIC PLAY . . ."
